

Directions to Silver Valke Rugby Club

Follow Pretoria Road eastwards past CBC Mount Edmund (our old venue) for about 4.3 km. You will pass Kit Kat and Kentucky Fried Chicken on the way. Start looking out for Roestof street just past the bridge over the Moreletta Spruit. You will see the Silver Falke soccer fields on your left just past the bridge. Roestof street turns left out of Pretoria Road just after the soccer fields. Turn left into Roestof. After about 20 metres, Roestof turns right and left again after another approximately 30 metres. Follow Roestof for about 400 metres and the gate to Silver Valke is on your left, on the corner of Roestof and Anker Roads. There is a number of pre-fabricated building just before the gate. This is actually a school. Go through the gate and carry on past the clubhouse on our right to the rugby field. The image above shows an overview and the one below more detail around the venue. On the image below, my house is more-or-less at the D (for Danie) top right of the image.
